On the Adriatic Sea

Football, beach and sun ad infinitum –

discover the Italian Adriatic coastline around Rimini, Riccione and Cattolica! The pulsating resorts offer countless gelaterias, bars, restaurants, pizzerias and discotheques but also a multitude of tourist activities and entertainment. Exciting football matches await for you in Italy and you will have the possibility to meet youth football teams from all over the world.

This tournament is organized by FYA 3 Villaggi Riccione and the Municipio di Riccione in cooperation with KOMM MIT.

Games are played on both natural grass and artificial turf pitches as well as in the stadium on the sports grounds of the City of Riccione and the FYA 3 Villaggi Riccione. The facilities are of course equipped with changing rooms and showers. Furthermore, additional artificial turf and natural grass pitches are available for seven a side matches in the surroundings of Riccione.

The teams are accommodated in family-owned hotels/guest houses (according to country standard) stretching from Cattolica, Riccione to Rimini in rooms with three or four beds. Adults accompanying the teams can book single or double rooms at an extra charge (one single room per 20 persons or per team in case of a smaller group). You can also book a hotel of a higher category.

Half board (Italian cuisine) is provided throughout your stay. First meal is dinner and the last meal is breakfast. For dinner there are already set menus with alternatives and for breakfast you will find a buffet according to the custom of the country. For breakfast, beverages like coffee, tea and juice are included. 0,5l of water per person is included at dinner.

Apart from football and beaches, the region offers lots of possibilities for excursions and recreational activities: The Acquario di Cattolica is worth a visit to discover the Adriatic's "underwater world". Europe's oldest republic, San Marino, is also waiting to be explored during your visit. Discover more excursions on our website: www.komm-mit.com.

Upon request, the KOMM MIT staff will gladly arrange for you the transfer airport-hotel-airport as well as your bus transfer during the tournament. If you decide to organise the transfer on your own (private car, bus, train or airplane), please always consider that you have to be mobile on site.
